ABOUT US

# IMAGINE

— LOCATIONS —

Carefully curated locations with character —  
available for photography, film, TV and editorial  
productions.

Studios. Country Estates. Residential gems. We connect brands  
and creatives with unforgettable spaces — and the perfect  
backdrop for every story.

# Why work with us

IMAGINE  
— LOCATIONS —

## Stress-free

We remove the hassle from sourcing and booking a shoot location.

## Only the best

Our team knows what makes a great location and selects carefully for our clients

## High-end imagery

Every listing is captured by professional photographers so you get the full picture of each location

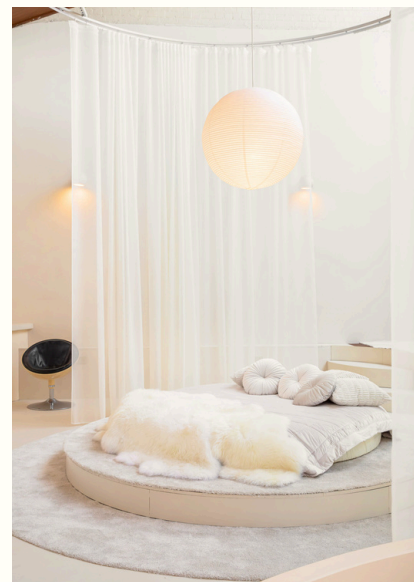

## Hands-on knowledge

We personally visit almost every property so we can advise on details like access, parking and room sizes.

## Personal service

A manageable portfolio means every client receives great communications and a friendly experience.

## Efficient process

Our small, focused team keeps every booking running smoothly.

*"Imagine locations are the perfect partner, they manage everything for us extremely professionally and with no issues. Fantastic communication and the whole experience is seamless. Most importantly we do not have to lift a finger, they do all the admin and handle all the bookings and then they just send us the money. 10/10"*
